REQUEST FOR WAIVER OF CONTINUING PROFESSIONAL EDUCATION REQUIREMENTS

R156-1-308d. Waiver of Continuing Education Requirements - Renewal Requirements

- (1) (a) In accordance with Subsection 58-1-203(1)(g), a licensee may request a waiver of any continuing education requirement established under this title or an extension of time to complete any requirement on the basis that the licensee was unable to complete the requirement due to a medical or related condition, humanitarian or ecclesiastical services, extended presence in a geographical area where continuing education is not available, etc.
- (b) A request must be submitted no later than the deadline for completing any continuing education requirement.
- (c) A licensee submitting a request has the burden of proof and must document the reason for the request to the satisfaction of the Division.
- (d) A request shall include the beginning and ending dates during which the licensee was unable to complete the continuing education requirement and a detailed explanation of the reason why. The explanation shall include the extent and duration of the impediment, extent to which the licensee continued to be engaged in practice of his profession, the nature of the medical condition, the location and nature of the humanitarian services, the geographical area where continuing education is not available, etc.
- (e) The Division may require that a specified number of continuing education hours, courses, or both, be obtained prior to reentering the practice of the profession or within a specified period of time after reentering the practice of the profession, as recommended by the appropriate board, in order to assure competent practice.
- (f) While a licensee may receive a waiver from meeting the minimum continuing education requirements, the licensee shall not be exempted from the requirements of Subsection 58-1-501(2)(i), which requires that the licensee provide services within the competency, abilities and education of the licensee. If a licensee cannot competently provide services, the waiver of meeting the continuing education requirements may be conditioned upon the licensee limiting practice to areas in which the licensee has the required competency, abilities and education.

NOTE: Please be aware that licensees who continue to work in their profession are normally not eligible for waiver of continuing education requirements.
