To facilitate the application process, **submit a complete application form including all applicable supporting documents and fees.** Failure to submit a complete application and supply all necessary information will delay processing and may result in denial of licensure. It is also used for child support enforcement pursuant to Subsection 78-32-17(3) and is mandatory pursuant to Subsection 58-1-301(1), Utah Code Ann., which implements 42 U.S.C. 666(a)(13). **If you are applying for licensure as a Psychologist, complete the following in addition to submitting a completed application:**

**NOTE:** If you are using this application to reinstate a Utah psychologist license that has been expired for more than two years, you must contact DOPL directly to determine the fees and requirements required in addition to those listed below.

1. **NOTE:** Have the school send the transcript directly to DOPL. You may also have the school send the transcript to you for inclusion with your application so long as it is in a sealed envelope, bearing the school's stamp/seal on the envelope flap.
2. **NOTE:** You must completely fill out this section of the application. You may not simply state, "refer to attached transcripts." Failure to complete this section will constitute an incomplete application and will delay approval of your license.
3. Submit a completed "Verification of Supervised Experience" form (attached to this application) for each supervised experience. Forms must be **completed in their entirety by each supervisor**. Forms completed in part by the applicant or another party will not be accepted. The original form must be submitted. A fax or photocopy will not be accepted.

4. If you passed the Examination for the Professional Practice of Psychology (EPPP) in another state, use the "EPPP Score Transfer" form (attached to this application) to obtain official verification of your passing score.  
**NOTE:** If you plan to take the EPPP in Utah, see "EPPP & Utah Law Examination" in the "Additional Important Information" section of this application below.
5. If you are currently licensed as a psychologist in another state, use the "Request for Verification of License" form (attached to this application) to obtain verification of licensure from that state. 6. Submit a **\$200.00** non-refundable application-processing fee, made payable to "DOPL."  
**NOTE:** You will also be required to submit the original letter from PSI documenting a passing score on the Utah Psychology Law Examination, see "EPPP & Utah Law and Rule Examination" in the "Additional Important Information" section of this application.

#### **ADDITIONAL IMPORTANT INFORMATION:**

1. **EPPP & Utah Law Examinations:** To register to take the EPPP or the Utah Psychology Law Examination in Utah, you must first submit a complete application for licensure with all supporting documentation, as outlined above. After submitting your application for licensure, DOPL will determine if you meet the eligibility requirements for taking the EPPP or Psychology Law Examinations in Utah.

If you are approved to sit for the EPPP Examination, DOPL will send you an approval letter and an examination registration form. At that time you may register with PES using the contact information found in the registration form.

If you are approved for the Utah Psychologist Law Examination, PSI will send you an approval letter and then you may register with PSI to take the examination. At that time you may register with PSI Examination Services at [www.psiexams.com](http://www.psiexams.com) or 1-800-733-9267.

The following applicable laws and rules are available on the Internet at [www.dopl.utah.gov](http://www.dopl.utah.gov).

- Division of Occupational & Professional Licensing Act
  - General Rules of the Division of Occupational & Professional Licensing
  - Psychologist Licensing Act
  - Psychologist Licensing Act Rules
2. **Current Documents:** Applications, statutes, rules, and forms are occasionally changed. Go to [www.dopl.utah.gov](http://www.dopl.utah.gov) to ensure you have the most recent version of these documents.
  3. **Examination Fees:** There are separate fees for all examinations. It is the responsibility of the applicant to submit the fees directly to the testing agency.
  4. **“Practice of Mental Health Therapy”** means treatment or prevention of mental illness including:
    - conducting a professional evaluation of an individual’s condition of mental health, mental illness, or emotional disorder;
    - establishing a diagnosis in accordance with established written standards generally recognized in the professions of mental health therapy;
    - prescribing a plan for the prevention or treatment of a condition of mental illness or emotional disorder; and
    - engaging in the conduct of professional intervention, including psychotherapy by the application of established methods and procedures generally recognized in the professions of mental health therapy.
  5. **Supervised Experience:** The 4,000 hours of supervised experience must be at a ratio of one hour of supervision for every 40 hours of practice. To be qualified to practice mental health therapy, a minimum of 1,000 hours of the 4,000 hours of supervised experience must be in mental health therapy. The mental health therapy hours must be at a ratio of one hour of supervision for every 40 hours of service provided for a total of 25 hours of face-to-face supervision. An individual completing any supervised experience during a post-doctoral residency program must be licensed as a certified psychology resident.
  6. **Code of Ethics:** Licensees are required to abide by the Ethical Principles of Psychologists and Code of Conduct of the American Psychological Society: [www.apa.org](http://www.apa.org)
  7. **Endorsement (Licensure in another State):** The state of Utah does not have any reciprocal agreements with any other states; however, if you are licensed in another state, you may apply for licensure by endorsement. To qualify for licensure by endorsement, an applicant must submit the “Request for Verification of License” form and the “Verification of Active Practice As a Licensed Psychologist” form. Both forms are provided in this application. These forms provide the Division verification that an applicant is currently licensed in another jurisdiction and that they have practiced for not less than 2,000 hours or one year, whichever is greater. You must also submit documentation verifying at least one of the following:

- A. that the education, supervised experience, examination, and all other requirements for licensure in the jurisdiction where the applicant is currently licensed, at the time the applicant obtained licensure, were substantially equivalent to the licensure requirements for a psychologist in Utah at the time the applicant obtained licensure in the other jurisdiction;
- B. that you are a current holder of the Diplomate status in good standing from the American Board of Professional Psychology;
- C. that you are currently credentialed as a Health Service Provider by the National Register of Health Service Providers in Psychology; or
- D. that you currently hold a Certificate of Professional Qualification granted by the Association of State and Provincial Psychology Boards (CPQ).

Upon receiving a complete application, application fee, and all supporting documentation, DOPL will approve you to take the Utah Psychology Law Examination. To complete the licensure process, you must submit the original letter from PSI documenting a passing score on the Utah Psychology Law Examination.

8. **Knowledge of Other Statutes:** In addition to the licensing statute and rules listed above, mental health professionals may be subject to a number of other Utah statutes—including, but not limited to—those listed below. These statutes may affect your practice and you are obligated to understand and follow them. The following statutes may be reviewed on the Utah Legislature web site at [www.leg.state.ut.us](http://www.leg.state.ut.us):
- A. Utah Health Code, Title 26, particularly:
    - Section 26-6. Duty to report individual suspected of having communicable disease.

  - D. Utah Rules of Evidence Rule 506 - Physician and mental health therapist-patient, which can be viewed on the Utah Courts web site at [www.utcourts.gov](http://www.utcourts.gov).
9. **License Renewal:** All psychology licenses expire on September 30 of each even-numbered year. Unlike many other states, Utah's license renewal schedule **is not** based on the licensee's date of initial licensure. Under Utah's renewal system, all licenses in each profession expire as a group on the same day every two years. Therefore, the length of a licensee's first renewal cycle depends on how far into the current renewal cycle initial licensure was obtained. Each renewal cycle thereafter is for a full two years. Additionally, the fee paid with this application for licensure is an application-processing fee only. It does not include a renewal fee. Each licensee is responsible to renew licensure **PRIOR** to the expiration date shown on the current license. Approximately two months prior to the expiration date shown on the license, renewal information is disseminated to each licensee's

last address of record, as provided to DOPL.

10. **Continuing Education:** Psychologists are required to complete at least forty-eight (48) hours of continuing education during each two-year period commencing October 1 of each even-numbered year. This requirement is pro rated for new licensees. For complete information on continuing education, refer to the Psychology Licensing Act Rules (R156-61-302h). Certified psychology residents must complete at least 24 hours of continuing education during every two year period.
11. **Updating Address Information:** It is your responsibility to maintain a current address with DOPL. If your address is incorrect, you will not receive renewal notices or other correspondence. Address changes can be made online at [www.dopl.utah.gov](http://www.dopl.utah.gov).
12. **Name Change:** If you have been licensed by DOPL under any other name, please submit documentation of your name change (*i.e. copy of a marriage license or divorce decree*).
