**APPOINTMENTS:**

9:05 a.m. Barnes Kent, Compliance

Mr. Barnes reviewed the compliance report for Christina Wiese and Lorin Howard.

**Ms. Wiese**

Mr. Barnes stated that Ms. Wiese has been calling in daily for her drug screens and is current on her employer reports.

**Lorin Howard**

Mr. Barnes stated that Mr. Howard is current with his employer reports and is in compliance with his memorandum.

9:15 a.m. Christina Wiese

Ms. Wiese appeared before the Board for her scheduled interview. Ms. Lambdin conducted the interview.

Ms. Wiese stated she is currently unemployed but is actively seeking employment. Mr. Ormond stated that the clock stops on time counted towards her probation when she is not working in the field. Ms. Wiese was recently terminated and presented a letter explaining her termination. The company stated Ms. Wiese violated the overtime policy however Ms. Wiese explained that that was not entirely true.

Ms. Wiese asked the Board if she takes a job related to her license would this keep her probation in tact. The Board determined that the job classification would need to be reviewed before a decision could be made. The Board would also like to see the outcome of charges from Nebraska and asked that she obtain those as soon as possible.

The Board considers Ms. Wiese compliant with her memorandum and would like to see her at the next Board meeting scheduled September 20, 2011

9:30 Lorin Howard

Mr. Howard did not appear before the Board for his scheduled appointment. Unless there was a good explanation the Board suggested that a non-compliance letter be sent to Mr. Howard.

Ms. Lambdin seconded by Ms. Nylander made a motion to have a non-compliance letter sent to Mr. Howard. The motion carried unanimously.

The Board would like to see Mr. Howard at the next scheduled meeting September 20, 2011.

## **DISCUSSION**

Transport and Licensing Issues

Ms. Nylander had a question about whether a Respiratory Care Practitioner needed to be licensed when transporting a patient across state lines. Mr. Ormond stated in the Statute, 58-1-307g, there is an exemption in the general umbrella section that would exempt licensure in that case. Ms. Nylander stated she would take this back to the AARC where a position statement would be written on that issue.
