A motion was made by Scott Marsell to approve the minutes from the July 7, 2009 meetings for the Architectural Advisory Committee as written. The motion was seconded by Harvey Boyd and passed unanimously.

**DISCUSSION ITEMS:**

REVIEW 2009 INTERNATIONAL CODES AND CURRENT AMENDMENTS

Bill Bonn discussed the proposed language for Section 310.1 in current amendment R156-56-801(14). Following a discussion by all present, a motion was made by Bill Bonn for the Unified Code Analysis Council to modify the changes made to current amendment by changing the words "Residential Care/" to the words "Type I" and changing the word "occupants" to "residents". The motion was seconded by Jim McClintic and passed unanimously.

A motion was made by Scott Marsell for the Architectural Advisory Committee to approve the same changes. The motion was seconded by Bill Hall and passed unanimously.

A motion was made by Keith Davis to delete the word "custodial" in the new amendment R156-56-801(5) and current amendment (11) and to change the word "defined" in current amendment R156-56-801(11) to "licensed". The motion was seconded by Bill Bonn and passed unanimously.

A motion was made by Bill West for the Architectural Advisory Committee to approve the same changes. The motion was seconded by Scott Marsell and passed unanimously.

Those present reviewed current amendment R156-56-801(15) again. Following the discussion by all present, a motion was made by Brent Halladay to modify the current amendment by deleting the words “and replaced with the following:” in the charging sentence and adding the words “for modifications of definitions” after 308.1.1. The motion was seconded by Bill Bonn and passed unanimously.

A motion was made by Bill West for the Architectural Advisory Committee to approve the same change. The motion was seconded by Harvey Boyd and passed unanimously.

Scott Adams passed out a proposal for current amendment R156-56-801(26) which would delete the current amendment and make a new amendment for carbon monoxide alarms in Section 907.9. Following a discussion on the proposal, a motion was made by Bill Hall for the Architectural Advisory Committee to approve the proposal. The motion was seconded by Bill West and passed unanimously.

A motion was made by Wendy Johnson for the Unified Code Analysis Council to approve the proposal. The motion was seconded by Mike Vela and passed unanimously.

Scott Adams passed out a proposal for current amendment R156-56-802(16) which would delete the current amendment, and add a new amendment for carbon monoxide alarms in R 315.1 and R315.3. Following the discussion by all present, a motion was made by Jim McClintic for the Unified Code Analysis Council to approve the proposal as modified. The motion was seconded by Brent Halladay and passed unanimously.

A motion was made by Scott Marsell for the Architectural Advisory Committee to approve the same proposal. The motion was seconded by Bill West and passed unanimously.

Jim McClintic passed out a proposal for current amendment R156-56-801(37) which would delete the current amendment down to the last two sentences. Following a discussion on the proposal, Scott Marsell made a motion for the Architectural Advisory Committee to modify the proposal by also deleting the words “with a ½” drip leg”. The motion was seconded by Bill Hall. The motion failed with a vote of two in favor and Cary Campbell, and Harvey Boyd voting in opposition. Bill West abstained.

A motion was made by Bill West for the Architectural Advisory Committee to modify the proposal by adding the words “or an approved alternate” to the end of the sentence. The motion was seconded by Harvey Boyd and passed unanimously.

A motion was made by Bill Bonn and seconded by Mike Vela for the Unified Code Analysis Council to approve the proposal as modified. The motion passed with a vote of eleven in favor and Kent Mann voting in opposition.

A motion was made by Harvey Boyd and seconded by Scott Marsell for the Architectural Advisory Committee to approve the proposal for R156-56-802(21) as modified by adding the words “or an approved alternate” to the end of the sentence. The motion passed unanimously.

A motion was made by Keith Davis and seconded by Brent Halladay for the Unified Code Analysis Council to approve the proposal as modified. The motion passed unanimously.

Wendy Johnson and Scott Marsell gave a report on their review of R156-56-801(60) and (61). Those present discussed the proposal for Section 3411.1 to modify the current wording and during the discussion the proposal was changed to say “In Section 3411.1 the word “maintenance” is deleted in the first paragraph and the exception is deleted in its entirety”. A motion was made by Dave Vickers and seconded by Kent Mann for the Unified Code Analysis Council to approve the modified proposal. During the discussion on the motion, a question was raised about the word “maintenance”. Following further discussion on the motion, the motion failed with a vote of one in favor

and Jim McClintic, Scott Adams, Brent Halladay, Dave Vickers, Jeffrey Darr, Kent Mann, Keith Davis, Michael Vela, Wendy Johnson and Martha Ellis voting in opposition.

Dave Vickers made a motion for the Unified Code Analysis Council to approve the original proposal. The motion was seconded by Jim McClintic and passed unanimously.

A motion was made by Bill West and seconded by Scott Marsell for the Architectural Advisory Committee to approve the original proposal. The motion passed unanimously.
