(attach additional pages if necessary)

Describe your plan establishing educational methods and programs that the associate physician shall complete throughout the duration of the collaborative practice arrangement that will facilitate the advancement of the associate physician's medical knowledge and abilities.
(attach additional pages if necessary)

*A copy of the entire Collaboration Agreement, including all additional pages, is required to be available at the practice site(s).
The agreement must accurately reflect current practices.*

MANNER OF COLLABORATION

I understand that a collaborating physician is responsible, at all times, for the oversight of the activities of, and accepts responsibility for, the primary care services rendered by the associate osteopathic physician. I understand that before rendering any health care services the Division must approve this collaborative practice arrangement contract. As a signatory to this agreement, I will maintain required licensure and any required DEA registration and comply with the laws, rules, standards, and ethics of the profession.

I declare under criminal penalty under the law of Utah that the foregoing is true and correct.

Signature of Associate Physician: _____ Date: _____

Signature of Collaborating Physician: _____ Date: _____
